Invitation

DAFG Regular Meeting for Arab and German Students:

Facilitating exchange, establishing a sustainable network, opening up new perspectives – these are the objectives of the regular meeting (*“Jour Fixe”*) for Arab and German students and young academics.

The meeting takes place regularly in the head office of the German-Arab Friendship Association (DAFG) or in partner’s locations.

As a permanent platform the *Jour Fixe* offers the possibility to enter into a dialogue with each other and to exchange opinions and experience beyond the academic context.

Our fourth meeting features the Berlin based project *Discover Football*, that seeks to foster social change through women’s football, including several projects related to the Arab world. After the project’s presentation and a short film, you will have the opportunity to discuss the issue with the speakers Marlene Assmann and Johanna Kösters.

The *Jour Fixe* is open for English-speaking students of all disciplines and universities who are interested in the exchange between Germany and the Arab world.

We look forward to welcoming you!

DISCOVER FOOTBALL female perspectives

DISCOVER FOOTBALL is the world's leading network that uses football as a tool to advocate for a world in which girls and women can do sports without being discriminated against for any reason, such as sexism, homophobia, racism etc.

The Association *Fußball und Begegnung e.V. (Football and Exchange)* was founded by committed football enthusiasts who use sport as a tool to empower women and promote intercultural understanding.

DISCOVER FOOTBALL organizes international exchanges, conferences and tournaments where women and girls build skills and share knowledge that will help them gain autonomy, mobility and power. This non-profit organization relies largely on the voluntary work of women, making it unique in the world of football.

Their work has been recognized by the UN, the German Football Association as well as German Chancellor Angela Merkel.

DISCOVER FOOTBALL regularly implements projects related to the MENA region such as their *Expert seminar Women's Football and Empowerment in the MENA region* in 2012 and the *Women's Football and Cultural Festival 2013* which hosted several teams from Arab countries.

In 2015 DISCOVER FOOTBALL will host the first *international female football festival in Lebanon* on cooperation with the *Lebanese Girls Football Academy (GFA)*.
